

Storyboard Breedr

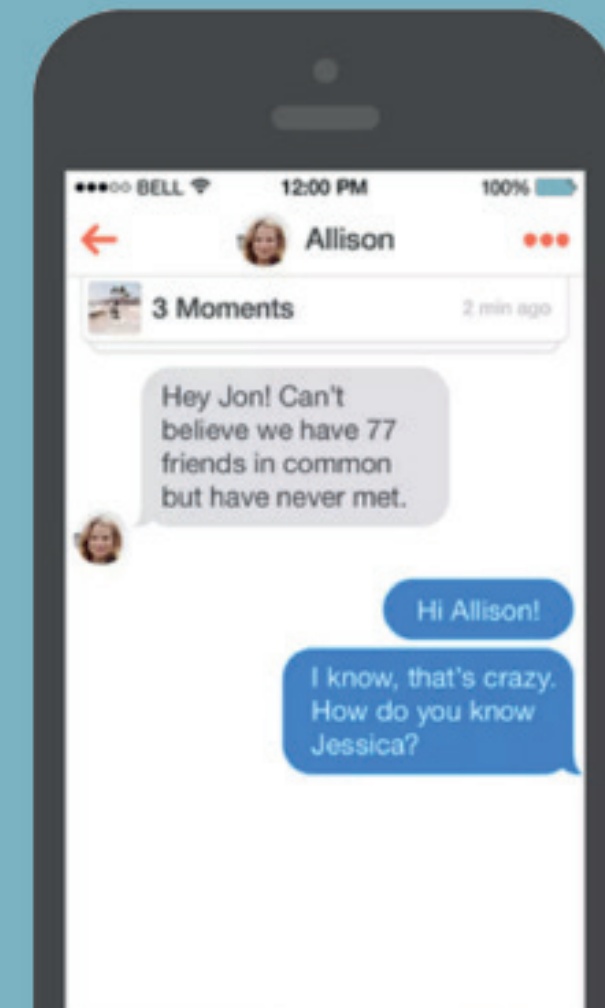

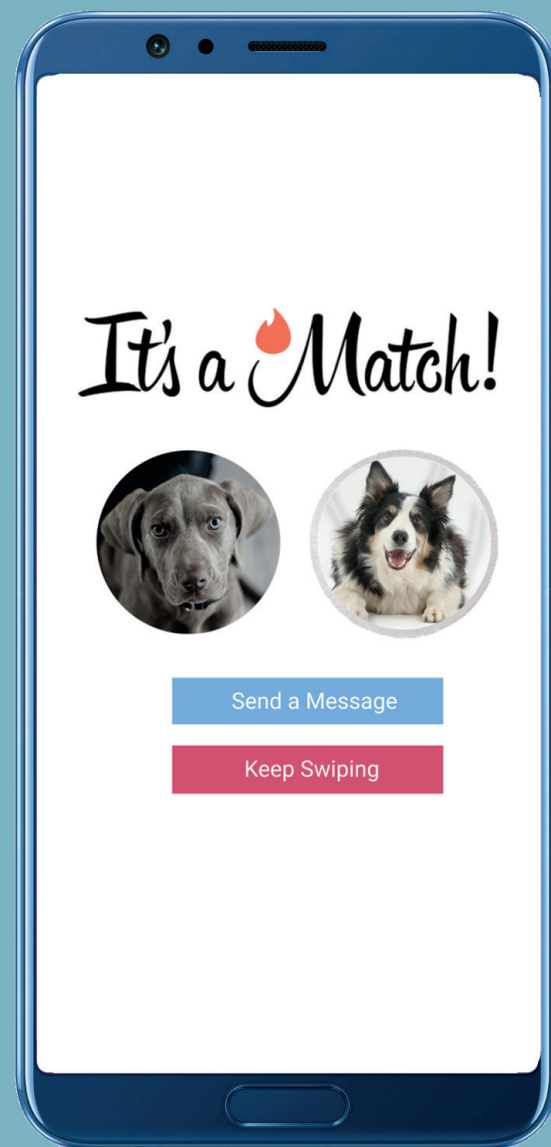

Login page, this page will allow you to log in to your account or register a new account to Breedr. Once logged in you will be able to view your profile and edit it or continue to the swipe page. (Your account will be added to the database so you're able to log in anytime and anywhere).

Matched page, this page will allow you to see the profiles you have matched with, it will allow you to look at their profile or to start talking which will send you to the chat page. (All matches are saved as was said in the previous image).

Matched page, this page will allow you to see the profiles you have matched with, it will allow you to look at their profile or to start talking which will send you to the chat page. (All matches are saved as was

Chat page, this page will allow you to communicate to your “match” using emojis, videos, gifs, images and of course plain text. The expectation is for you to talk a while before setting up a date to meet for
